February 10, 2006

Continuing Education Requirements for TITLE Producers

Effective August 15, 2005 all resident title insurance producers are required to complete six (6) hours of title-related education prior to renewal of their license.

Pursuant to Act 379 enacted during the 2005 Legislative Session, this new continuing education requirement will affect approximately 1300 resident licensed title producers. Since title insurance producer licenses renew every odd-numbered year (2007), you will need to complete the required six (6) hours of continuing education prior to renewal of the license. Renewals will be mailed out on November 1, 2006 in advance of the renewal of the license with a due date of January 1, 2007. Because the Department is currently working on providing online renewals for Louisiana residents for the life, health and accident license renewals which will become effective May 1, 2006, the renewal paper process mentioned above may be changed in order to allow for electronic renewals.

Please feel free to contact the Agent Licensing Division at (225) 342-0860 if you have any questions.
